

Double or Triple Your Gift!

Employee Matching Gift Program

Your employer might match your gift! If you work at one of the community-minded companies listed here, you may be able to DOUBLE or TRIPLE your support of the YMCA of Snohomish County. Some companies even match gifts from retired employees and employees' spouses.

To have your contribution matched, contact your personnel or human resources office for the necessary forms and procedures. If your company doesn't match your gift, please encourage them to join you as a giving partner in the future!

Please note that your donor should contact his or her employer to determine the eligibility of a matching gift to the YMCA.

Some companies have specific criteria or focus for the matching gift such as the agency does not receive funds from United Way.

If you do not see your company here, please check with management to see if they have a matching gift program.
